2022-now - "TIIAME" NRU, Department of Artificial Intelligence, Developer-assistant

How will this scholarship contribute to your educational goals, and why is it necessary?

The scholarship covers tuition and project costs, letting me focus entirely on my master's research. It lifts financial concerns, allowing me to concentrate fully on learning.

In what way will the program advance your career?

The program gives direct access to advanced labs and mentors, sharpening my expertise and positioning me for a PhD and AI research and development.

The information I have provided in this application is a fair, true and honest representation of my achievements. I understand that any misrepresentation of such achievements could lead to reversal of this scholarship and/or disciplinary action.
